8. Processing of Indicative Seat Allotment (Mock Counseling) Result and publishing of Indicative Seat Allotment

During **Indicative Seat Allotment (Mock Counseling) Result**, choices submitted by the candidates will be processed twice on notified dates during the Registration and Choice Filling period (of 1st round only) and indicative seat that is likely available at that point of time for the candidates would be displayed. This indication helps the candidate to refine the selection of choices in a more effective and efficient manner.

9. Choice Locking & Printing of locked choices

Locking of choices is mandatory for the processing of choices submitted by the candidate. After completion of the choice submission to ones satisfaction candidate can lock his/her choices **during choice locking period, dates of which are mentioned in Counseling Schedule**. By clicking the Choice Lock Button and confirming the same, the choices could be locked. **Choices once locked can't be unlocked**. Therefore the candidates are advised to exercise choice carefully, as the choices above the allotted choice will be processed in second round. In case candidate fails to lock choices, choices filled in by the candidate will be automatically locked at 5:00 PM of last date of locking.

The detailed procedure is described below:

- On clicking the **"Lock my Choices"** button, the submitted choices will be displayed on the screen along with all restrictions, on the choices selected, if applicable.
- Candidate is required to confirm the displayed contents before locking of choices.
- During locking process, the candidate is required to enter the password and then only system proceeds for locking of choices.
