

**REPORT OF PARENT'S FEEDBACK ANALYSIS FOR THE ACADEMIC
YEAR 2023-24**

11 April 2024

This institute was established with the mission to provide guidance, identifying talent, and enhancing potential, encouraging students to follow their dreams and helping them become more successful professionals. Parents's have entrusted the future of their children into our hands and thus they play a very important role in the development and enhancement of the quality of this learning experience. Feedback from parents allows the institute to evaluate its service provision and thus cater to providing excellent service towards the students.

The feedback analysis process has put an increasing emphasis on the need for involvement of parents in the quality assurance of excellent education. Parent's involvement requires that they play an active role in participating for the holistic development of their children.

Likewise every year at the end of the semester, feedback forms are distributed to the parents of first year undergraduate students. This circulation, distribution of feedback forms and collection of filled feedback forms is done by the IQAC department.

Objectives of parent feedback on institute:

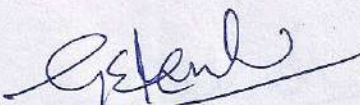

Parent feedback has 3 main objectives:

1. To provide parents the opportunity to comment on the quality of their ward's learning experience, as required in preparation for and as a part of review process.
2. To assess the success of academic provision in relation to the expectations of both the parents and the students
3. To provide feedback to the faculties in order to improve delivery and/or content of the curriculum.

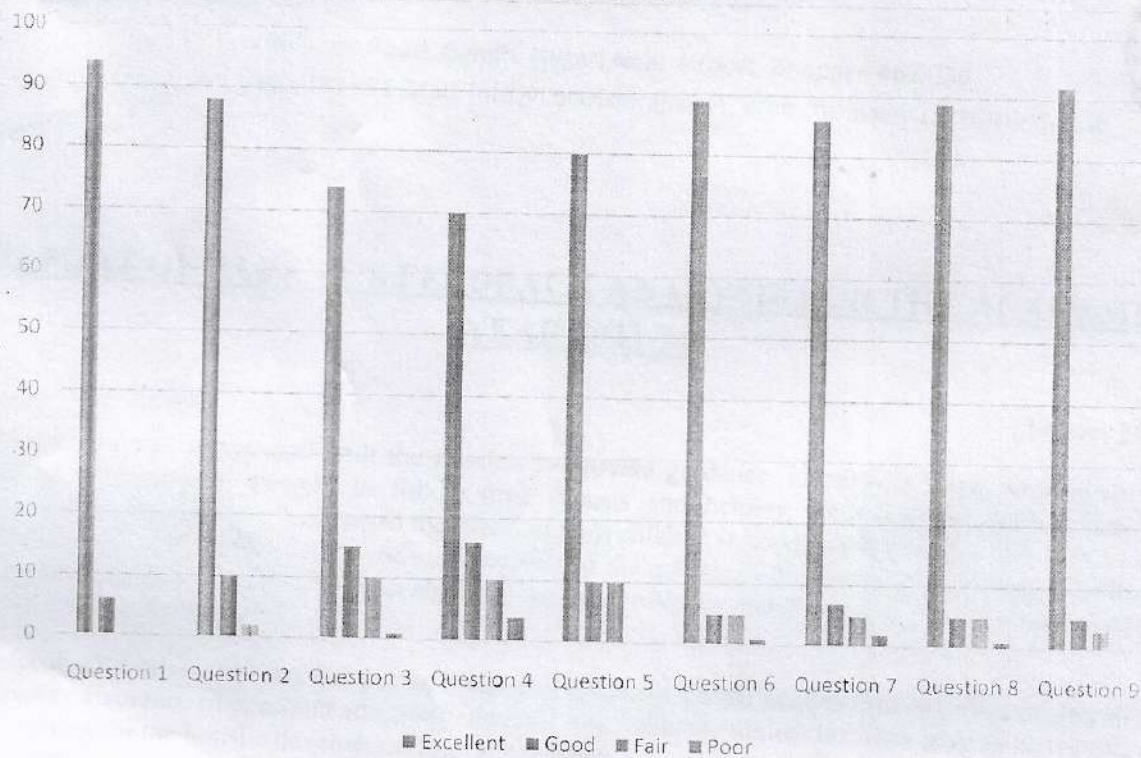

Focus on the parent feedback form:

The parent feedback form focuses on following issues-

1. The quality of teaching offered
2. Student discipline maintained by the college
3. Internet facility
4. Assessment of hostel and mess/bus facility
5. Sports facility
6. Library facility
7. Canteen facility
8. Student council and guidance facility in the college
9. Technical knowledge and communication skills acquired by the ward after taking admission.

PRINCIPAL

& Research Centre, Bhopal

Assessment of above mentioned issues by the parents.

The above graph shows that 94% of parents found that teaching offered by the college is excellent. 88% of parents found that student discipline maintained by the college is excellent. 74% of them found that college provides good internet facilities. 70% of parents found hostel and mess/bus facility offered by the college as good. 80% of them found that college provides excellent sports facilities to the students. 89% of parents found library facility as excellent. 86% of them agreed that canteen facility is excellent. 89% of them found that excellent student council and guidance facility is provided by the college. 92% of parents agreed that technical knowledge and communication skills acquired by the students is excellent.

Analysis and outcome:

1. Parents are satisfied with the quality of teaching offered and student discipline maintained by the college.
2. Parents are satisfied with the internet and sports facilities.
3. Parents are highly satisfied with the friendly environment in the campus, especially in terms with the zero tolerance to ragging.
4. Parents appreciated the college for proper guidance facility with respect to placement and future of the students.
5. Parents appreciate the reading material provided by the library.

Recommendations and suggestions:

1. College should improve the quality of food in mess and variety of foods provided in the canteen.
2. College needs to incur more and more extra-curricular activities and provide platform for the students at national and international level.
3. College should provide bus facilities for students.

**REPORT OF ALUMNI'S FEEDBACK ANALYSIS FOR THE
ACADEMIC YEAR 2023-24**

11 April 2024

This institute was established with the mission to provide guidance, identifying talent, and enhancing potential, encouraging students to follow their dreams and helping them become more successful professionals. We at RCDS & RC believe that alumni feedback is an important source of information for betterment and development of the institution. It is the tradition of our institution to involve alumni in all the activities and so, their feedback is important to us.

The feedback analysis process has put an increasing emphasis on the need for involvement of alumni in the quality assurance of excellent education. We appeal our alumni to provide their sincere feedback to us through prescribed forms, emails and during alumni meets.

This circulation, distribution of feedback forms and collection of filled feedback forms is done by the IQAC department.

Objectives of alumni feedback on institute:

Alumni feedback has 2 main objectives:

1. To provide them the opportunity to comment on the quality of the students learning experience, as required in preparation for and as a part of review process.
2. To provide guidance to the college in order to improve delivery and/or content of the curriculum.

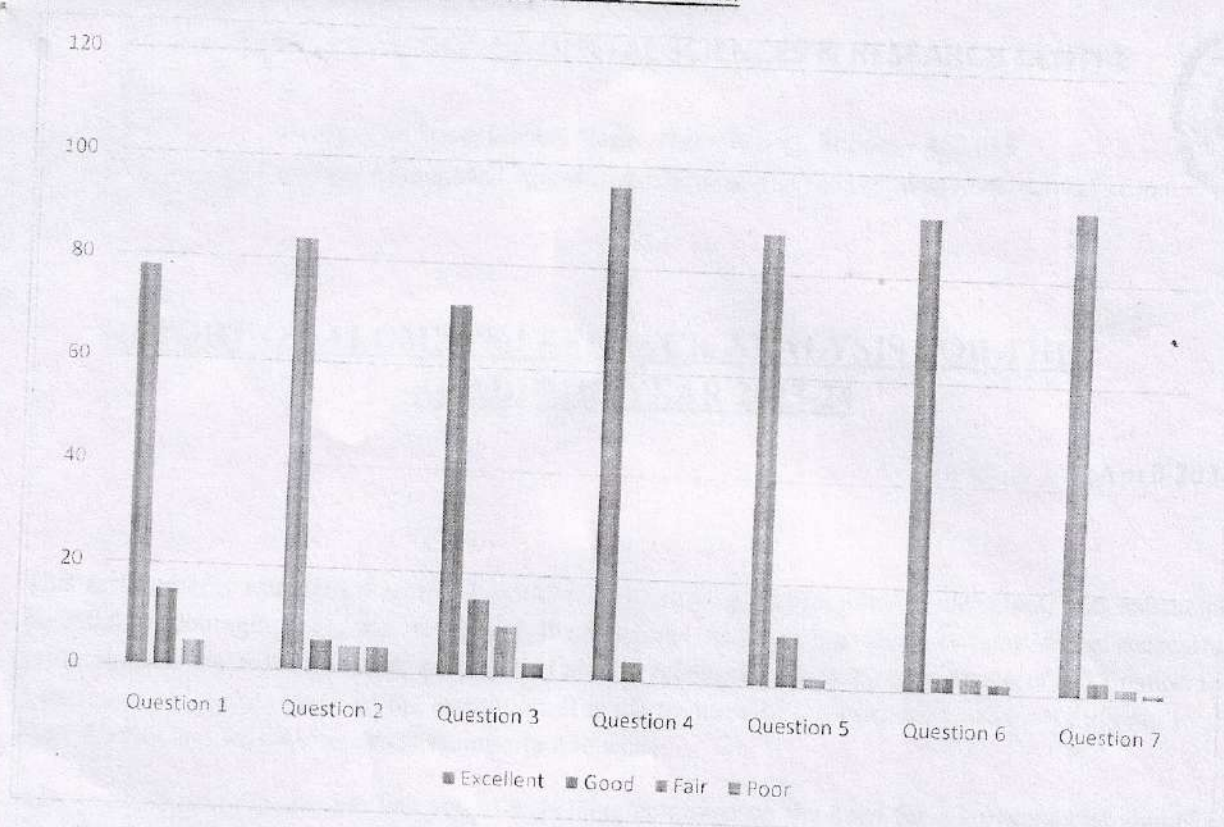

Focus on the alumni feedback form:

The alumni feedback form focuses on following issues-

1. Assess college infrastructure and lab facilities
2. Assess college campus cleanliness
3. Judge alumni network with old friends
4. Assessment of faculty
5. Assess the courses learned are in relation to real life application
6. Assessment of benefits derived from the course
7. Opinion about overall learning environment

PRINCIPAL
Rishiraj College of Dental Sciences
& Research Centre, Bhopal

Assessment of above mentioned issues by the alumni.

The above graph shows that 78% of the alumni have found the college infrastructure and lab facilities as satisfactory. 84% of alumni have found college campus cleanliness good. 72% of them found that college alumni network of old friends is not upto the mark. 96% of alumni found college faculty as excellent. 88% of alumni found that college provides courses that are applicable in real life. 92% of alumni are benefited from the course. 94% of them found that college provides excellent learning environment.

Analysis and outcome:

1. Alumni are satisfied with the extra curricular activities conducted by the institute.
2. Alumni are satisfied with the policy of green campus.
3. Alumni are satisfied with learning experience of the students.
4. Alumni has highly satisfied with the benefits derived from the course and curriculum.

Recommendations and suggestions:

1. College should provide newer facilities in the labs.
2. College should conduct more clinical learning programs on modern/advanced topics.
3. Alumni are not satisfied with good network connection with old friends.

**REPORT OF FACULTY'S FEEDBACK ANALYSIS FOR THE
ACADEMIC YEAR 2023-24**

11 April 2024

This institute was established with the mission to provide guidance, identifying talent, and enhancing potential, encouraging students to follow their dreams and helping them become more successful professionals. Faculties have a major role in the development and enhancement of the quality of learning experience for the students. Hence, their say is essentially important for betterment of student curriculum and college as a whole.

The feedback analysis process has put an increasing emphasis on the need for involvement of faculties in the quality assurance of excellent education.

This circulation, distribution of feedback forms and collection of filled feedback forms is done by the IQAC department.

Objectives of faculty feedback on institute:

Faculty feedback has 2 main objectives:

1. To provide them the opportunity to comment on the quality of student learning experience, as required in preparation for and as a part of review process.
2. To provide guidance to the students in order to improve delivery and/or content of the curriculum.

Focus on the faculty feedback form:

The faculty feedback form focuses on following issues-

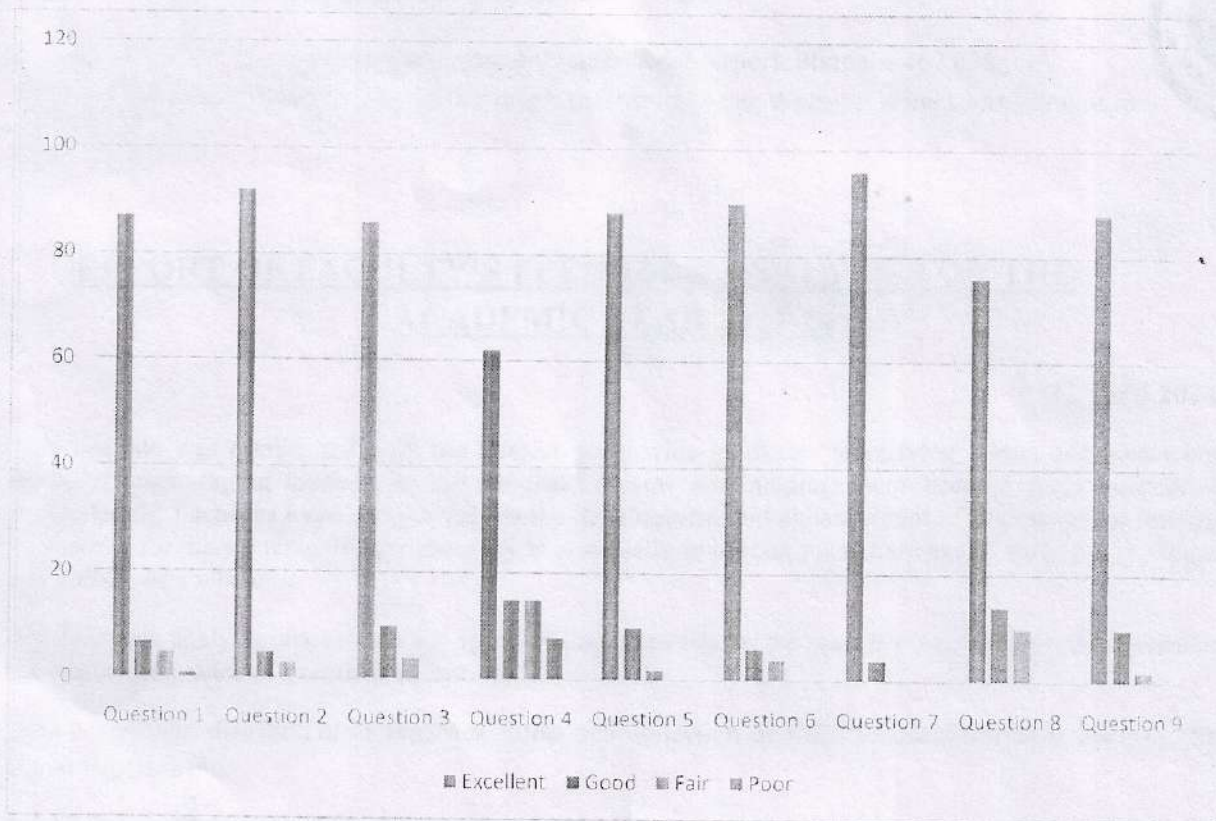

1. Assess academic content
2. Rate the system followed by the university or the design and development of curriculum.
3. Assess coverage of modern/advanced topics
4. Rate the relevance of units in the course
5. Rate the evaluation scheme for each course
6. Assessment of sequence of units in the course
7. Rate the syllabus load on students
8. Rate the course in relation to real life application
9. Assess availability of textbooks/ study material

PRINCIPAL

Rishiraj College of Dental Sciences
& Research Centre, Bhopal

Assessment of above mentioned issues by the faculty.

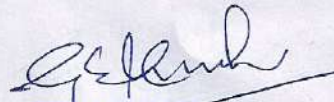

The above graph shows that 87% of the faculty found the college academic content is excellent. 92% of faculty found that college has good design and development of curriculum. 86% of them found that college covers modern and advanced topics. 62% of the faculty found that relevance of unit in the course as good. 88% of the faculty found that there is no load on the students. 90% rated the sequence of units in syllabus as excellent. 96% of faculty found that college has designed proper evaluation scheme for students. 76% of faculty found that the courses are applicable in real life. 88% of them agreed that college provides the study materials required by the students.

Analysis and outcome:

1. Faculties are satisfied with the course content and found the units in syllabus relevant.
2. Faculties agree that students are having a good learning experience at the campus.
3. Faculties are satisfied with the lab facilities.

Recommendations and suggestions:

1. College should conduct more clinically oriented learning programs through seminars and workshops.
2. College should have more extracurricular activities at national and international front.
3. Faculties are not satisfied with the academic calendar of the university.
