### **PROCEEDINGS OF THE PROGRAM**

The 19<sup>th</sup> Orientation day program was organized for the newly inducted students and their parents. The major objective of the programme was to make the parents and students aware of the academic aspects of the course, the rules and regulations of the institute and ensuring parental participation in monitoring the performance and progress of students. Vice principal of the institute welcomed the guests, students and parents to the college. Respected management graced this event and spoke to the students and parents regarding their moral duty and legality of being a dentist. The chief guest of the day, DCI member Dr. Chandresh Shukla shared his experiences which really motivated the students and geared them for the upcoming 5 years. He also spoke about the anti ragging policy and minute details on what are considered as ragging and its limit. This was followed by a detailed presentation on the course and curriculum by the principal of the institute. The students were also presented with aprons and bags. The program ended with a vote of thanks by the admission head. The students were then taken on a campus tour where they met the heads of the departments and different committee members. We welcome the new faces with open minds and hearts and we all pray for a great academic year ahead.
